

Downloads : Firmware Update

Thank you for using a PENTAX K-m digital camera.

PENTAX wishes to announce the release of Firmware Update Software Version 1.11 for K-m.

Firmware in this document is the software that runs inside digital cameras.

Changes to V1.11

The following content have been improved in Version 1.11.

- Improved stability of recording image for some SDHC Memory card.

Changes to V1.10

The following function have been added on Version 1.10

- Added selection of area (Square) to Cropping in the Playback-1 menu
- When Digital Filter is assigned to the Help button in the [Rec.Mode 3] menu, Digital filter can be set by pressing Help button in playback mode.
- Added [Custom] to Digital filter in Capture mode. Digital filter can be customized and saved a filter to your own preferences.

Caution

- Only K-m users are permitted to download the firmware update.

Preparation of update

- Blank, formatted SD/SDHC card (32MB or more)
 - USB cable I-USB17
- If you are copying the firmware update file to the SD/SDHC card by connecting the camera directly to your computer.
- SD/SDHC card reader or a computer with a SD/SDHC card slot
 - If you are copying the firmware update file to the SD/SDHC card using a memory card reader / writer.
 - We recommend using the AC adapter (K-AC84) for update firmware.
- If you are using AA lithium batteries or AA alkaline batteries, make sure that batteries are fresh.

If AA Ni-MH rechargeable battery is use, be sure to use fully charged battery.

Download the updated firmware file

- For Windows : km_e111w.exe --- 13,017 Kbytes, LHA type, self-extracting files
- For Macintosh : km_e111m.zip --- 12,767 Kbytes, zip type

Extract downloaded file

The following two files will be generated once the downloaded file is extracted by double-clicking.

- readme.txt: The text file that explained update procedure in details.
- Fwdc200b.bin: This is the updated firmware.

Copy fwdc200b.bin file to SD card

After formatting the SD/SDHC card, copy the fwdc200b.bin file to the route directory of the SD/SDHC card.

Update Firmware

Please read the readme.txt file attached to the firmware update file before updating the firmware.
